Abdulwahed25/assignment-3: A simple portfolio website for my course assignment

## Abdulwahed Zuhair

Computer Science student — front-end developer

### About Me

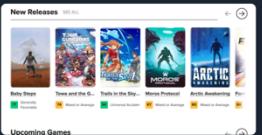

I am a Computer Science student learning front-end development. I enjoy solving problems and bringing ideas to life with clean, efficient code.

- I love mathematics and enjoy using logic to solve problems.
- I'm passionate about video games and exploring their worlds.
- I keep up with the latest in technology, from phones to software.

### My Projects

Show All Web Projects Design Projects Sort: Newest Hide Projects

**Portfolio Website (Web Dev)**  
This website: interactive features, dark mode and project filtering.

**Gamer's Guide (Design)**  
Game reviews, guides and recommendations.

**Student Resource Hub (Web Dev)**  
A web app to organize academic resources: notes, links and project
